

Modular single seat with backrest made from a 3 mm thick folded steel sheet base mechanically fixed to a seating surface in 3 mm thick steel sheet cut and decorated with square holes.
Each base is prepared for lateral attachment with the other elements of the CUBIK collection.
All metal parts are galvanised and coated with thermosetting polyester powder.
All fixings are in AISI304 stainless steel.
Prepared with a Ø 12 mm hole for ground fixing with a mechanical dowel (not included) for outdoor installation or for free standing for indoor installation.
